MORA would like to thank all of the teachers who challenged their students to recycle and submitted entries to the 2005 Missouri Recycles Day poster contest. Once again, this years judging was difficult as over 3,700 students across Missouri submitted entries. We wish that all of the students could be recognized as they all did such a wonderful job. In our eyes they are all winners.

All schools who submitted entries will receive a 2006 calendar highlighting the winning entries. The artists will also be recognized at an awards ceremony at the Missouri State Capital Building on February 9, 2006 as MORA celebrates recycling awareness.

Remember that entries for next years contest must be postmarked no later than September 29, 2006.
